

# SC Condor von 1956 e.V.

## Information for new members and interested people

You or your child would like to play soccer in our club and you would like to be a member? We are very happy about your decision and we thank you greatly, however, there are some formalities to stick to and therefore we need some information/ documents from you:

1. An application form for the membership in our club must be filled in and duly signed by you.
2. An application form for permission to play for the "Hamburger Fußballverband" (football association) must be filled in and duly signed.
3. One passport photo from you or your child
4. A copy of your birth certificate (please also show the original certificate when you will give us all the requested documents)

**Important!!!** In case you are changing from another club, you have to sign off from playing in the league stating the date of your last match to your old club. If you don't do that, we are not able to apply for a new player's license at the "Hamburger Fußballverband". In case you got your player's license from your old club please pay attention that it is filled in (on the backside) and signed and stamped by your old club.

The **membership fee** for soccer is € 20,- for adults and € 14,- for children. Please note that there is a fee of € 10,- which is payable just once, for the issue of the player's license.

You have the possibility to apply for the program "**Kids in the Clubs**" in case your financial possibilities are limited. There is an opportunity that the "Hamburger Sportbund" will pay the fee for you. You will find the person to contact in the list following.

In addition you will also find the most important information on the following page. In case you will have further questions, please do not hesitate to contact your "country sponsor", who will help you in your own language.

Best regards  
Your team from SC Condor
